

Dues Rate Change Policy

Per the Delaware Nurses Association bylaws:

- Annual dues shall include that portion of the American Nurses Association (ANA) Assessment Factor based on the Consumer Price Index for Urban Consumers (CPI-U) as determined by the ANA Membership Assembly.
- In the event that the rate of dues payable to ANA changes; the dues collected will proportionally change.
- Changes to the DNA dues are established by members present or voting in absentia at any membership meeting. A two-thirds (2/3) vote of those eligible to vote is necessary to fix the dues for DNA.
